

Personalized Paper Dice

Color and decorate these dice cutouts. In the squares on the blank die, draw or write anything you want (faces, friends' names, or shapes are some ideas). Glue the dice to a piece of thin cardboard (such as an empty cereal box). Cut out the shapes along the solid lines.

Making the dice:

STEP 1:

Make creases (folds) along all the dotted lines. Flip the shape over so the decorated side is facing away from you.

STEP 2:

Now bend up the sides labeled "A", and apply glue on the two tabs where shown. Fold up the tab labeled "B" and press "B" against the glue-covered tabs.

STEP 3:

Put some glue on all remaining tabs. Fold tab "C" over the top of the die, and press against the glue-covered tabs.

Now lay something (not too heavy) on top of your dice to hold them in place while they dry.
